Peter Forrest

Peter Forrest is the new ACB President

Peter Forrest was elected president of the American Club of Brussels (ACB) for the year 2018 at the Board's annual election on December 12. Peter has been an ACB member since 2007 and active on the Board since 2015. Recently retired from GE Capital, Peter brings to the Club a 30+ year experience in multinational management. His first decision is to hold a facilitated Board strategy session in January 2018 to define how ACB can best serve you, our members and friends, in the years ahead.

Peter was born in Scotland but lived most of his life in the US where he studied, then worked, mostly at GE Capital. During his career, he held various leadership positions in the US, France, UK, and finally in Benelux. Aside from discovering the world through extensive travel, his other hobbies include photography, archeology, good wine and making new friends.

Your new 2018 ExCo committee

The Executive Committee for 2018 will be as follows:

- President: Peter Forrest
- Vice Presidents: Melissa Rancourt (1st VP), John Metselaar, Andrew Parker and Sheila Rosseau
- Treasurer: Erin Richmond
- Secretary: Dick Sheridan

Each ExCo member is committed to make the American Club of Brussels THE expat place to be. Look out for the next newsletters to learn more about each ExCo member and their respective ACB responsibilities.

Thank you, Brian and Mieke!

Brian Dunhill was elected ACB President for 2017 and, during his tenure, brought a wealth of new ideas to the Club. His major achievement was to rejuvenate the Club by developing our social media, among which Facebook and Meetup, and by organizing activities for our younger members (Linguistic Cafes, Board Games) which brought a wave of interested people to the Club. Luckily, Brian will remain on the Board as past president and will enable us to continue to benefit from his enthusiasm, commitment and ideas.

Mieke Vispoel was hired in 2009 as Club Administrator and is taking her well-deserved retirement at the end of 2017. Mieke served the Club expertly and diligently for the last eight years. Reliable and responsive, Mieke was the Club's cornerstone and will be missed by those who worked closely with her as well as the member who asked a one-off question. We all wish her a relaxed and fulfilled retirement and hope she will keep in touch.

Welcome, Pascale!

Pascale Zoetaert will replace Mieke Vispoel as **Club Administrator** as of 2018. In addition to holding various positions in corporate communications, mostly at Sabena and Ackroyd (The Bulletin), Pascale is also an entrepreneur. She founded an organic restaurant in Schaerbeek and is active in her companion's organic wine business. Pascale brings extensive knowledge in communications to the Club as well as her energy, enthusiasm and interest for new challenges.

Corporate Profile

CHEZ WaWa Restaurant

CHEZ WaWa Restaurant was born nearly two years ago in the heart of the Châtelain district of Ixelles as the first in Brussels to introduce a new style of "Roll-Your-Own-Way" California-style Mexican dining.

The San Francisco-born owner, Palmer Colamarino, had spent many years in Brussels working in the international hotel industry, and like many fellow expats had long bemoaned the undeserved absence of quality Mexican food in our otherwise lovely city.... Well, no longer! Now you have the opportunity to try some authentic "Cali-Mex" cuisine at CHEZ WaWa which specializes in fresh burritos, tacos, salads and more, all prepared daily from farm-fresh Belgian produce and Mexican spices. While CHEZ WaWa is a "fast-casual" restaurant, they prove that 'food served fast' doesn't have to a 'fast-food experience'. At the steam-table counter, the CHEZ WaWa Crew quickly assembles high-quality and flavorful ingredients - rolled-to-order right in front of you, and just as you want it.

Open both for lunch and dinner, also for take-out, delivery and event-catering, CHEZ WaWa offers a Student Discount and is also privileged to have a nice terrace in the back which makes for lovely afternoon or evening dining. You can join them on Thursdays evenings for Homemade Frozen Margarita Nights. Or "Taco Tuesdays for Two" when you get the choice of a complimentary tortilla chips or homemade agua fresca with an order of two or more Roll-Your-Own-Way Tacos, Burritos, Naked Burritos or Salads. And since last year, CHEZ WaWa also started its fantastic "Cali-Mex Brunch" on some Sundays with breakfast burritos and an unlimited sweet & savory buffet with Mexican and American specialties. Their next Brunch will be on Sunday January 28th as an ACB Event!

We invite you to come experience some Cali-Mex Magic which has *finally* arrived in Brussels!

On **January 10** , Laura Richard will present

Lives of Girls and Women
by **Alice Munro** (Canada, Nobel Prize 2013)

This book, rather more a collection of would-be stand-alone stories with a common principal character, invites the reader to witness the life and world of Del, a young girl whose experiences and encounters in growing up form the basis of each "story" or section as she grows from a young girl into womanhood. The reader is compelled to experience the struggle and wonder of growing up that is common amongst all of us, in a story that is peppered with extraordinary circumstances and trials that, thankfully, relatively few of us ever have to experience.

Lives of Girls and Women is a coming-of-age story, full of the tumultuous times one goes through on the road to growing up, the universal truths about growing up and the tragedies that are suffered by far too many of us. More than that, it is the story of place and of the complex relationships that form between those with whom people live and experience life. It is about life itself, in all its beauty and ugliness.

Venue: Laura's place.

A Guided Visit to the Exhibition "Christo and Jeanne-Claude: Urban Projects"

Join us on Sunday, February 4 for a guided visit of the exhibition "Christo and Jeanne-Claude: Urban Projects." This is the first retrospective museum exhibition since the 1980s of the urban projects created by Christo and Jeanne-Claude. A unique opportunity to gain a comprehensive insight into the creative process of this unclassifiable artist couple.

To evoke a number of urban projects by Christo and Jeanne-Claude, the exhibition seeks through a careful selection of around eighty original works, whether or not these were ever carried out, ranging from Wall of Oil Barrels, Rue Visconti, Paris, 1961-62 up to the important urban project The Gates that Christo and Jeanne-Claude realized for the city of New York in 2005. These urban works of art were created by temporarily appropriating buildings, monuments or public places with a deeply symbolic value.

The works are selected and displayed in such a way as to emphasize the crucial importance of drawing in the genesis, evolution and aesthetic crystallization of each of the projects. Christo sees drawing as "a path towards the real" and indulges this passion daily.

The exhibition presents a series of emblematic works, from the first schematic sketches, usually in small format, to the final drawings, complex and often large-format collages in which color, textural effects and volume bring out their visionary character, offering a real foretaste of the actual in situ projects.

After the visit, those who wish to may join us for a drink or a coffee in the neighborhood.

Please note that this event is limited to 15 participants.
