The Artist from Syria Moutaz Al-Bashar, Born in 1970 in Damascus. Found an interest in art from childhood, and sold his first painting when he was 13 years old. Started art professionally at the age of 20, and took part in many exhibitions in Syria and the

neighbouring countries like Lebanon, Jordan, Turkey, Kuwait & the United Arab Emirates. The war and tragedy in Syria separated Mr. Moutaz from his family. Not knowing where his wife and 7 year old son were, he was forced to flee to Sweden and leave everything behind.

He is now living in Sweden and participating in many art events and exhibitions. His wife and son were finally located in Turkey, and now preparing to join him in the near future.
